## MEET GBENGA OMOLE

Author • Teacher • Voice of Wisdom

Prof. Gbenga Omole is the author of The Golden Voice of Wisdom Collection and the renowned Food for Your Faith Devotional Series (Volumes 1–4). His teachings are anchored in simplicity, depth, and the transformative power of God's Word.

For over two decades, his devotionals, mentorship, and ministry expressions have inspired individuals, families, and organizations to cultivate intentional faith practices and spiritual discipline.

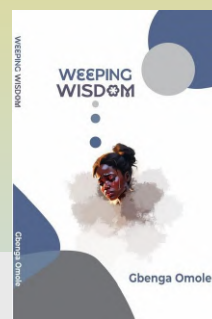

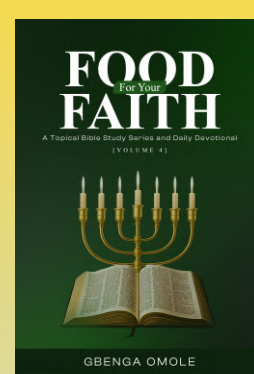

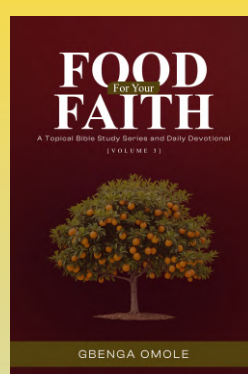

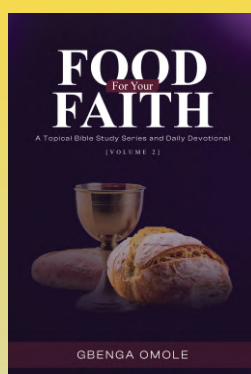

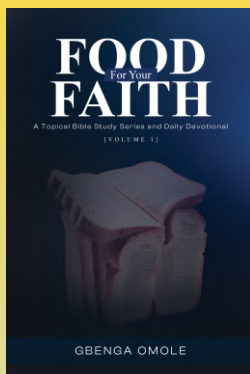

Driven by compassion and a lifelong commitment to impactful Christian living, Prof. Omole envisioned the Golden Impact Project (GIP) as a practical way to extend the nourishment of God's Word beyond the pages of a book—into communities, families, and underserved groups across Nigeria.

***“My desire is simple: to help people grow, heal, hope, and walk with God through daily encounter with Scripture.” — Gbenga Omole***
